Teachers' Club

Providing essential support to
BAFS teachers

AAT Teachers' Club

Hong Kong Accredited Accounting Technicians Limited (HKIAAT) has developed a tailor-made new professional examination, the Accredited Accounting Technician (AAT) Foundation Examination, to meet the broadening new senior secondary school (NSS) curriculum requirements and our local business needs. As a renowned accountancy body in Hong Kong, we believe that teachers' support is essential for effective teaching and for students' success. The AAT Teachers' Club is being set up to build a solid network between Business, Accounting and Financial Studies (BAFS) teachers and to assist these teachers in helping students learn the subject.

Target

Teachers of BAFS

Objectives

- To promote a supportive and caring relationship between BAFS teachers and the HKIAAT.
- To provide a range of resources to support members in teaching BAFS subject.
- To provide information about the accountancy profession to BAFS teachers so that they can advise students on their further studies and/or career development.

Exclusive membership privileges

- Receive newly developed pilot papers for the AAT Foundation Examination, which are invaluable reference material for teaching BAFS.

About HKIAAT

HKIAAT is a subsidiary of the Hong Kong Institute of Certified Public Accountants (the only statutory licensing body of accountants in Hong Kong) and was set up in 1988. Its principal activities are the award of the AAT qualification through conducting professional examinations, offering premier member and student services, accrediting relevant sub-degree qualifications and promoting the study of accountancy among sub-degree holders and secondary school students.
