## Computerised Accounts Examination - January 2009

### To Cheuk Ling

Miss To is a student in the Advanced Diploma in Accounting at the Sacred Heart Canossian College of Commerce.

#### Thoughts from Miss To:

It gives me great pleasure to be top student in this paper. May I take this opportunity to thank my school, teachers, friends, family, and the HKIAAT. I would specifically like to thank my accounting teacher for his clear and organized instructions, which enabled me to handle this paper well. I believe that the key to success is diligence and practice.
