

Accounting Technician Examination (ATE) - December 2008

Paper 7 – Advanced Accounting

Lau Wing Yee

Job title: Account Clerk

Company: MISSHA (HK) LTD

Miss Lau graduated with a Diploma in Business Administration from the Hong Kong Institute of Vocational Education (Kwun Tong). She completed the Preparatory Course for Advanced Accounting at the Hong Kong Management Association (HKMA).

Thoughts from Miss Lau:

I was surprised to be the top student in this paper. I would like to express my special thanks to my lecturer, Mr. Daniel Wong of the HKMA. His easy-to-understand teaching mode greatly helped me understand the accounting standards.

“Practice make perfect” is always true. The more past papers you do, the more likely you are to get good results.

Last but not least, I would like to say thank you to my current employer, MISSHA (HK) LTD, who provided me with an opportunity to further my studies and gain hands-on work experience.
