Accounting Technician Examination (ATE) - December 2008

Paper 1 – Financial Accounting

Lo Hoi Yan

Miss Lo is a Form 7 student at Hang Seng School of Commerce.

Thoughts from Miss Lo:

The news that I was the Top Student of this paper astonished me! I felt really happy and proud to receive this award.

As other students do when preparing for the examinations, I spent a great deal of time studying past examination papers. Before sitting for every examination, it is very important to get familiar with the examination pattern. Whenever I had problems answering the questions, I sought help from my school teachers, who are always ready to give a helping hand.

Finally, I would like to take this opportunity to thank my family, teachers and friends for their kind support.
