Professional Bridging Examination

Notes and Regulations

Each paper consists of a three-hour closed-book written examination comprising 100 marks with a mix of assessment methods. These include short questions, computational questions and case studies.

We would like to remind candidates that breaching the examination rules is prohibited under any circumstances, and disciplinary action will always be taken against candidates who are found violating the rules. These candidates will be disqualified from the examinations, and more severe penalties such as permanent removal from our student register may be imposed.

Students should read the notes shown on the back of the Examination Attendance Docket carefully and follow the Centre Supervisor's instructions during the examinations. Please bring your HKID card/student registration card and the Examination Attendance Docket with you to **EVERY** examination. If you have misplaced either the registration card or docket, you should contact the HKIAAT **IMMEDIATELY** to arrange for a replacement.

Electronic calculators, including programmable calculators, may be used in any examination session provided that the calculators are battery-powered, silent in operation, with neither print-out nor graphic/word-display facilities and do not use dot-matrix technology in the main display. Other electronic devices with graphic/word-display facilities (such as databank watches) are **NOT** permitted in the examination centre. If they are brought in, this will be considered as a breach of regulations and will lead to confiscation of the calculators. Candidates who wish to check whether their calculators can be used in the examination should refer to the list of permitted calculators on the Hong Kong Examinations and Assessment Authority website at **www.hkeaa.edu.hk**.

Candidates are also **NOT** permitted to bring dictionaries into the examination.

Admission to the examination centre after the first 30 minutes of an examination is at the discretion of the Examination Centre Supervisor. Candidates are therefore requested to arrive at the examination centres on time. Otherwise, you may have marks deducted or be disqualified from the examination.
