## **Top Students of Accredited Accounting Technician (AAT) Examination December 2010 session**

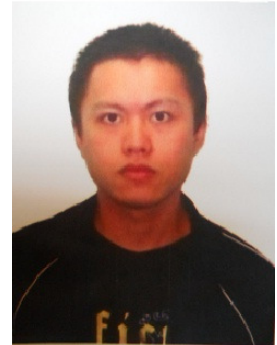

Paper 1 - Fundamentals of Accounting and Computerized Accounts

### **Wong Siu Ming**

Job title: Security Guard

Company: King Force Security Limited

Mr. Wong is a F.7 graduate. He studied for the examination by himself.

### ***Thoughts from Mr. Wong:***

I would like to take this opportunity to thank the HKIAAT for awarding me this top student prize.

I studied accounting by myself and spent a great deal of time studying past examination papers and getting familiar with the examination format. It is also useful to review updated accounting standards.

I believe that by attaining the AAT qualification, my future job prospects will be much improved.
