

**Full exemptions reinstatement of HKIAAT accredited programmes**

HKIAAT has recently revised its exemption policy of the AAT Examination and the Professional Assessment (PA) under the New Qualification Framework (NQF). Exemption from AAT Paper 7 "Financial Accounting" and PA (which are currently non-exemptible) will be granted to accredited programmes which have adequately covered the syllabuses and met the standard requirements for exemption from Paper 7 (for graduates from 2009-10 academic year onwards) and the PA (for graduates of 2012-13 academic year onwards).
