

Seminar on "Introduction to Financial Analysis"

On 18 November 2012, more than 500 students and teachers from secondary schools and tertiary institutes took part in a seminar entitled "Introduction to Financial Analysis". The detailed explanation and practical exercises provided by Janet Kwan, lecturer of Hong Kong Baptist University (HKBU) helped students learn the basic techniques of analyzing financial reports, such as defining the relevant financial ratios, assessing their implications, and deriving important information from financial statements.

Speaker - Miss Janet Kwan, lecturer of HKBU.

Students are required to do practice exercises to test their understanding of each topic.

More than 500 students joined the seminar.

Congratulations to the prize winner!
