

Teachers' Conference 2012

About 60 faculty members and guests attended the Teachers' Conference that was held on 15 December 2012 at the HKIAAT auditorium. This annual occasion is a platform for faculty members to understand the requirements of the HKIAAT examinations and to better support them in training young accounting talent. We would like to thank the following prominent speakers for giving their valuable time in delivering their insightful presentations and making this event such a success: Annie Mok, David Chow, Stephen Chan and Benny Kwok.

The Conference included an appointment ceremony for AAT Advisors. The AAT Advisor scheme, first launched in 2008, provides a networking system for faculty members of our accredited programmes and the HKIAAT. Over the years, the AAT Advisors have played an important role in serving as counsellors to students on AAT matters, and the advisors have worked closely with us in offering support to students. This year we are pleased to have 42 faculty members from 28 institutions agreeing to be AAT Advisors. Click [here](#) for the list of AAT Advisors. We are sincerely thankful for all their support in this important endeavour.

Stella Cho, president of the HKIAAT, expresses her sincere thanks to the supports of co-workers from different institutes.

(From left) David Chow, Annie Mok, Stephen Chan answer questions in dealing with exam techniques for AAT Exam and PBE.

Stella Cho presents certificates to AAT Advisors at the appointment ceremony.

A seminar on property valuation given by Benny Kwok is well received.
