

Teachers' Conference 2013

More than 50 faculty members and guests attended the Teachers' Conference on 23 November 2013 at the HKIAAT auditorium. This annual event is a platform for faculty members to understand the recent developments of HKIAAT, to enhance their technical skills and to provide a platform for networking and sharing of expertise. We would like to thank Mr. Philip Hung and Mr. Nelson Lam for devoting their valuable time in delivering insightful presentations and making this event a tremendous success.

This year, we are honoured to have 43 faculty members from 25 institutions having agreed to become AAT Advisors (click [here](#) for the full list). At the Conference, Professor Stella Cho, President of HKIAAT, expressed her sincere gratitude to faculty members and AAT Advisors for their endeavours over the years. The AAT Advisors have played an important role in serving as a counsellor to students on AAT matters, and have worked closely with us in offering support to students.

Professor Stella Cho, President of HKIAAT, expresses her sincere thanks to the support of co-workers from different institutes.

Mr. Philip Hung, Director of Tax Services, PricewaterhouseCoopers, delivers a presentation on "Tax audit and investigation in Hong Kong".

Dr. Chan Cheuk Hay, Vice-President of HKIAAT, thanks the speakers for their informative technical seminars in his closing remarks.
