

Reminder of Membership application

AAT graduates are reminded that they can submit their application for an Associate Member (AAT) once you have satisfied the following requirements:

- Successfully completed the Professional Assessment;
- Possess one year accounting practical experience; and
- Be of good character and a fit and proper person to be a member.

Apart from fulfilling the basic requirements, each applicant is required to support his / her membership application with references from an employer, lecturer or other suitable persons as a proof of his / her integrity.
