

AAT Advisors

We would like to extend our warmest welcome to the 43 Advisors recruited from 25 educational institutes. The objective of the AAT Advisors scheme is to promote a supportive and caring relationship between the accountancy departments of educational institutes and the HKIAAT. The AAT Advisors' role is to serve as counsellors, to advise students about the AAT examinations and the benefits of obtaining the AAT qualification for their career development, and to discuss AAT related matters. The list of the AAT Advisors are as follows:
