### *Paper I – Financial Reporting*

#### **Thoughts from Miss Lau:**

It is my pleasure to be the top student in this paper. I would like to take opportunity to thank my teacher, Ms. Shirley Hui for her valuable guidance and dedicated support.

Practising past papers, reading the PBE official study manual and attending revision courses all helped me understand how to apply accounting standards and to build question-tackling skills. I believe that putting more effort into your studies and working hard are the keys to success.
