## ***Accounting Technician Examination (ATE)***

### *Paper 2 – Business Communication*

#### **Tai Nga Ting**

This was the first time Miss Tai had taken the Accounting Technician Examination. She completed the ATE Preparatory Programme for Paper 2 at HKU SPACE.

#### **Thoughts from Miss Tai:**

I am glad to be the top student in this paper. It is of paramount importance to study the past papers and suggested answers as they provide you with a better understanding of the examiners' requirements in grammar, sentence structure, and writing style. I learned many answering skills from the suggested answers in the past papers. In addition, candidates can avoid many common mistakes by reading the examiners' reports.
