## **Computerised Accounts Examination (CAE) July 2008**

### **Tsui Wai Ho**

Mr. Tsui is a full-time student of Diploma in Business Accounting Programme at the Kwun Tong Vocational Training Centre.

#### **Thoughts from Mr. Tsui:**

I am surprised and excited to be the top student in this exam. I would like to express my heartfelt appreciation to Ms. Chan for the time and effort she gave to her teaching. She prepared lots of questions and exercises for us and her classes helped me to grasp the knowledge required easily. But I also think there is nothing better than good preparation. This is the key to success.
