

Accounting Technician Examination (ATE)

Paper 5 – Hong Kong Taxation

Wong Wing Fong

Miss Wong completed the ATE Preparatory Programme for Paper 5 at the Hong Kong Management Association. She is currently working as an Accounts Clerk in Vtrek International Trading Company Ltd.

Thoughts from Miss Wong:

I am glad to be the top student in this paper. This encourages me to finish the remaining exam papers confidently. My study approach is based on the following points: to understand the ideas behind each topic as this can help me memorize the main points; and to practice past papers so as to help me to cope with various examination questions and enhance my skills in answering questions. The examiners' reports can help you avoid the mistakes frequently made by candidates.

I would like to take this opportunity to thank my instructor, Mr. Francis Chung at The Hong Kong Management Association. He is very conscientious about his work and was an excellent teacher.
