

Top Students of June 2009 Accredited Accounting Technician (AAT) Examination

Paper 1 - Fundamentals of Accounting and Computerized Accounts

Li Chun Ho

Job title: Assistant Accountant

Company: Climax Management Company Limited

Miss Li is studying for the Diploma in Accounting Studies at the Hong Kong School of Commerce (HKSC).

Thoughts from Miss Li:

I was very surprised when I was informed that I had been awarded as the Top Student for Paper 1! I would like to take this opportunity to thank the HKIAAT for granting me this award and also thank my family and the teachers of the Hong Kong School of Commerce for their support.

To advance my career, I have been studying the two-year diploma in Accounting Studies at HKSC since November 2008. I hope that I can complete my course and achieve my target on schedule.

Reviewing textbooks, class exercises, course notes, past examination papers, and consolidating the major accounting report formats will be useful for the examination. Also, time management is very important during the examination.
