### ***Thoughts from Mr. Chung:***

I would like to thank the HKIAAT for awarding me the Top Student prize. It is the greatest inspiration to me and the best reward of my efforts.

I find that the syllabus of the Professional Bridging Examination (PBE) is very useful and relevant to my daily work. I enjoyed putting my best efforts into studying for the exam. Nowadays, continuous learning is a must, especially for the accounting professionals. When preparing for the PBE, it is very important to find a suitable study method to make your efforts effective and efficient. I wish we all have great success in our studies and careers!
