

25th Anniversary Celebration Dinner

The year 2013 marks an important milestone in the HKIAAT's history as we are celebrating our 25th anniversary. To commemorate this special occasion, we held a celebration dinner on 4 October 2013 to share the joy with our stakeholders.

Officiating at the opening ceremony

A toast to our next 25 years

The dinner was a delightful and memorable event. Nearly 200 guests attended including government officials, principals/ heads of our accredited programme providers, presidents/ chairmen of professional bodies and business associations, and our fellow members and students. We were very pleased to have Martin Siu, Deputy Director of Accounting Services, The Treasury, as our guest of honour to talk to us about the critical attributes of accountants, while the Hon. Kenneth Leung spoke about how the expertise of accounting professionals can keep the Hong Kong economy growing. Their insights were extremely valuable.

HKIAAT past and present board members and guests at the top table

The climax of the event reached when our incumbent President, Professor Stella Cho and our past presidents who attended the event, including Messrs. Valiant Cheung, William Chan, Joseph Yau, Doug Oxley and Johnson Kong, shared some stories about their time at the HKIAAT. Four members of the HKICPA Singing Interest Group then gave a fantastic performance. The dinner ended with the exciting lucky draw prizes presentation, with all guests having had an enjoyable evening.
